What is the PTSA?

Hough PTSA is a volunteer-run, 501(c)3 nonprofit organization. We work in partnership with the school and community partners to enhance the experience of students, teachers, and families.

Why Join the PTSA?

Membership give you a voice. You get a vote in how our PTSA spends the money raised during the year and what programs and events we will support. It also gives you a voice at the state and national levels.

Who can join?

Parents, students, teachers, family members, and community members are all encouraged to join.

Membership Commitment

While members are not required to volunteer or attend meetings, we encourage it to help build our community.

MEMBERSHIP NOT REQUIRED TO VOLUNTEER!

PTSA membership is not required to make an impact at Hough! There are many ways you can help, even one hour of volunteering makes a difference! Sign up for our newsletter, check our website, or follow us on social media for voluntter and connection opportunities.

At Hough every grade is assigned a color for spirit days and color wars. Make sure your student has a shirt/sweatshirt with their grade's color.

Did You Know?

Teachers often need extras—glue sticks, classroom snacks, tissues, coffee gift cards (if you know you know), and more.

We'll share requests throughout the year but don't hesitate to check-in with your student's teacher.
